

THE SINGING ARMY

II Chronicles 20:2-30

U.S. Actions Over the Years

- French and Indian War; Revolutionary War; War of 1812; Mexican War; Civil War; Spanish American War; WWI; WWII; Korea; Cold War; Vietnam; Gulf Wars – Afghanistan and Iraq.
- “Those who expect to reap the blessings of freedom must, like men, undergo the fatigue of supporting it.” Thomas Paine
- As our Nation celebrates its liberty and freedom watch this principle:
 - Liberty is the right to choose.
 - Freedom is the result of right choices!

How Long Do We Have?

About time our 13 States adopted Constitution 1787, Alexander Tyler History Prof @ Edinburgh University' wrote about fall of the Athenian Republic 2000yrs before.

“A democracy is always temporary in nature; it simply cannot exist as a permanent form of government”

“A democracy will continue to exist up until the time voters discover they can vote themselves generous gifts from the public treasury.”

“From that moment on, the majority always vote for the candidates who promise the most benefits from the public treasury, with the result that every democracy will finally collapse due to loose fiscal policy, which is followed by dictatorship.”

“The average age of the world's greatest civilizations from the beginning of history, has been about 200 years.”

Bondage to faith; faith to great courage; courage to liberty; liberty to abundance; abundance to complacency; complacency to apathy; apathy to dependence; dependence back to bondage.

Having All of Him, We Give All of Us

A cartoon illustration of a woman in a black suit holding a giant blue pen over a document. The pen is so large that it is nearly as tall as she is. She is standing on a blue document with some lines and a signature. The text "Entirely Sanctified!" is written in red, bold, italicized font across the middle of the image.

Entirely Sanctified!
